modern machine shop 1963 Article Index

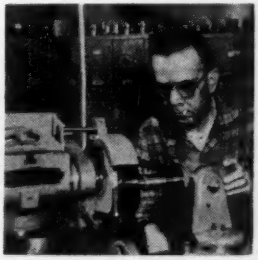
A subject listing of articles published in MODERN MACHINE SHOP during the past year.

ASSEMBLY

Multi-Operation Machines Speed Production ..... Jan., 114
Press Speeds Assembly of Pump Component ..... Mar., 146

AUTOMATION

Multi-Operation Machines Speed Production ..... Jan., 114
More Production Through Modernization ..... Jan., 146
Machining Aluminum Die Cast Compressor Housings Jan., 148
Machining Crankshaft End Covers ..... Apr., 140
Close-Tolerance Machining of Servo-Motor Housings.. May, 158
Checking Sheet Thickness Automatically ..... July, 106
Cylinder Block Machining on N/C Transfer Line .... Sept., 140
Automatic Chuckers Improve Hole Finishing ..... Sept., 151
Automatic Machining of Spindle Components ..... Nov., 146



March, Page 122

BEADING

Drill Press Type Ball Beading Tool ..... Aug., 126

BLANKING

Tear-Tab Can Calls for Presicion Presswork ..... Nov., 154

BORING

Machining 36 Models of Compressor Housings ..... Jan., 156
Machining Crankshaft End Covers ..... Apr., 140
A Method of Boring Elliptic Holes ..... May, 162
Centrifugal Force Stops Chatter ..... June, 152
Bore-Drilling Machine Reduces Scrap ..... July, 119
Bore-Drilling Connecting Rods and Caps ..... Oct., 154

BROACHING

World's Largest Hydraulic Keyseater ..... Sept., 154

BURNISHING

Integral Bearing Raceways are Roller Burnished ..... Mar., 150
Burnishing Screw Machine Parts ..... June, 151

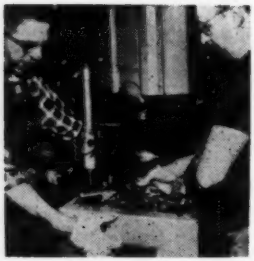
CARBIDE TOOLING

Cutting Tool Changes Increase Production ..... Mar., 149
Simple Carbide Wedge Increases Production ..... Nov., 148

September, Page 114

1963 Article Index . . .

February, Page 121



January, Page 146

June, Page 146

CENTERING

Three Motion Grinding Machine Grinds True Centers June, 146

CHUCKING

Centrifugal Force Stops Chatter ..... June, 152
Quick-Change Type Chuck Improved for Safety ..... Aug., 124
Automatic Chuckers Improve Hole Finishing ..... Sept., 151

CLAMPING

Toggle Pliers Assure Weld Quality ..... Jan., 150
Fixture Clamps Hold Work on Lathe Faceplate ..... June, 164
Multi-Purpose Strap Clamp Design ..... Sept., 162
Toggle Clamps Facilitate Electrolytic Grinding ..... Oct., 148
Toggle Clamps Aid in Meter Calibration ..... Nov., 156

COLD HEADING

Cold Forming Lock Bolts for Automobile Doors ..... Oct., 152

CONTROLS

Automatic Controls Improved Shielded-Arc Welding .. Feb., 132
Optical Line Tracer Joins the Control Family ..... May, 126
Tracer-Controlled Automatic-Cycle Lathe Film ..... Aug., 89

COOLANTS

Semi-Synthetic Coolant Eliminates Scoring ..... Feb., 147
Metal-Cutting Coolants: What is the Relationship? ... May, 132
Soluble Cutting and Grinding Oils ..... June, 130

CUTTING TOOLS

Milling Cutters and End Mills ..... Jan., 140
Removable Milling Cutter Setting Block ..... Apr., 150
Tips On Tapping ..... July, 90
Climb Milling Is Faster for Machining Angles ..... Sept., 150

DIE DESIGN

Die Design Fundamentals—Book One ..... Jan., 128
Safety Guards for Post Type Die Sets ..... Feb., 154
Single-Piece Casting Solves Production Problem ..... Mar., 152
Die Pierces Two Different Parts ..... Apr., 134
Complex Composite Dies Produced at Reduced Cost .. May, 150
Hinged Die and Closed Water System ..... June, 138
Five-Station Progressive Die ..... Aug., 108
How Production Line Techniques Speed Die Production Sept., 115
High Speed Press Turns Out Self-Opening Can Tops .. Sept., 130
Piercing Die Improves Valve Seat Productivity ..... Sept., 155
Squeezing the Most Out of Polyurethane Dies ..... Oct., 114
Wear-Resistant Tungsten Steel Ups Tool Life ..... Oct., 146

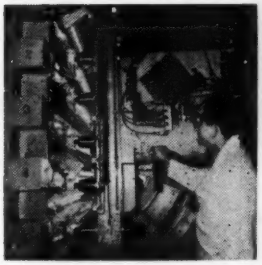
DRAWING

What to Look For In Electroshape ..... May, 114

DRILLING

"I" Day Plus One Year ..... Feb., 114
Tape Control: Biggest Benefit To Job Lot Manufacturer Feb., 136
N/C Drilling of Short-Run Parts ..... Feb., 142

Turret Head Provides Economy in Machining Castings..Mar., 156
Gun Drilling from Solid Speeds Part Production .....Apr., 146
"Woodpecker" Reaming Removes Burr .....June, 154
Turret Drills Increase Automotive Parts Production ...June, 156
Hardening Small Diameter Drill Rod Without Warping June, 163
Bore-Drilling Machine Reduces Scrap .....July, 119
N/C Drilling Saves Time in Machining .....Sept., 158
Bore-Drilling Connecting Rods and Caps .....Oct., 154
Simple Setup for Drilling Spacer Blocks .....Oct., 158
Automatic Machining of Spindle Components .....Nov., 146
Rotating Drill Head Installed on Chucking Machine ..Dec., 144



May, Page 142

DUST CONTROL

Unique Dust Collection Installation .....Mar., 148
Dust Collector Aids Machining Accuracy .....July, 116
Standard Collector Solves Critical Dust Problem ....Aug., 118

ELECTRICITY

Electrical Troubleshooting for the Man in the Shop ...Dec., 122

ELECTRO HYDRAULIC FORMING

What to Look For In Electroshape .....May, 114

July, Page 114

ELECTROLYTIC GRINDING

Toggle Clamps Facilitate Electrolytic Grinding .....Oct., 148

ESTIMATING

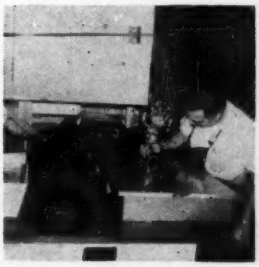
Manufacturing Planning and Estimating Handbook ..Sept., 120

EXTRUDING

Cold Extruding Axle Spindles .....July, 115

FIXTURES AND JIGS

"Blind-Welding" Missile Nozzle Section .....Jan., 142
Grinding Fixture for Cam Plates .....Jan., 163
Indexing Table Aids Slot Milling Operation .....Feb., 146
Two-Position Collet Type Fixture .....Mar., 159
Gun Drilling from Solid Speeds Part Production .....Apr., 146
Removable Milling Cutter Setting Block .....Apr., 150
Five Parts at a Time .....May, 142
A Method of Boring Elliptic Holes .....May, 162
Retractable Stock Support for Movable Forming Block May, 163
Equalizing Type Jaws for Milling .....June, 162
Don't Let That Setup Steal Your Gaging Accuracy .....July, 82
Boring Bar Attachment Increases Lathe Capacity .....July, 100
Sturdy T-Slotted Table Easily Made .....July, 124
Milling Long Keyways .....July, 125
Simple Shaft Chamfering Fixture .....July, 126
Simple Fixture for Regrinding Faces of Arbor Collars Sept., 164
Simple Setup for Drilling Spacer Blocks .....Oct., 158
Locating Pre-Machined Components .....Oct., 160
Milling Huge Circular Missile Components .....Nov., 140
Remote Control Tumble Jig .....Nov., 163



October, Page 124

FORMING

What to Look For In Electroshape .....May, 114

1963 Article Index . . .

May, Page 114

January, Page 124

April, Page 130

FORGING

Cold Extruding Axle Spindles ..... July, 115

FLYCUTTING

Flycutting—A Method of Cutting Large Size Holes ... Mar., 138

GAGING

What to Do When Measuring Instruments Need Repair Feb., 121
Versatile Microscope Solves Measuring Problems .... Mar., 154
Planer Gage Sets Tool for Lowest Point ..... Apr., 151
Air Gaging Gun Stocks ..... May, 125
Ingersoll Checks Rack Leads with Simpson Optics .... June, 158
Don't Let That Setup Steal Your Gaging Accuracy .... July, 82
Checking Sheet Thickness Automatically ..... July, 106
Flame-Sprayed Plug Gages Last Longer ..... Aug., 115
Thread Plug Gages Modified for Hole Center Inspection Oct., 159
Bevel Gage for Fabricating Operations ..... Nov., 162

GEAR CUTTING

How Ultra-Precision High-Speed Gears are Made .... Mar., 114

GRINDING

Automatic Grinders Improve Quality of Ball Races .... Jan., 146
Reactive Dressing To Expand Grinding Feasibility ... Feb., 126
Numerically Controlled Grinding ..... Feb., 128
Abrasives Perform Precision Radii Finishing ..... Feb., 146
Abrasive Machining of Sanitary Fittings ..... Dec., 143
Rolls Ground To Straightness Tolerances of 0.0005 Inch Apr., 148
Diamond Tools Dress Three Grinding Wheels ..... May, 154
Three Motion Grinding Machine Grinds True Centers June, 146
Simple Shaft Chamfering Fixture ..... July, 126
Grinder Cuts Cost of Valve Maintenance ..... Aug., 120
Regrinding a Punch with Built-In Slug Remover ..... Aug., 125
Cutter Sharpening Film ..... Sept., 147
Simple Fixture for Regrinding Faces of Arbor Collars Sept., 164
Tool Grinding Film ..... Oct., 129
Centerless Grinding Technique Adapted to Axles .... Oct., 156
Disc Grinding Shop Devises Own Guideposts ..... Nov., 114
Standardization Cuts Cost of Diamond Wheels ..... Nov., 152

HARD FACING

Hard-Surfacing Alloy Increases Pump Plunger Life ... Apr., 138
Pump Impeller and Wear Rings Hard-Surfaced ..... Nov., 158

HEAT TREATING

Hardening Small Diameter Drill Rod Without Warping June, 163

HIGH ENERGY RATE FORMING

What to Look For In Electroshape ..... May, 114

HOT MACHINING

Don't Overlook Hot Machining ..... Aug., 90

INSPECTION

What to Do When Measuring Instruments Need Repair Feb., 121
Checking Sheet Thickness Automatically ..... July, 106
Thread Plug Gages Modified for Hole Center Inspection Oct., 159

JIGS

Quick-Acting Drill Jig Made from Toggle Pliers ..... Dec., 154

KEYSEATING

World's Largest Hydraulic Keyseater ..... Sept., 154

MACHINE MAINTENANCE

What to Do When Measuring Instruments Need Repair Feb., 121
Broken Lathe Way Repaired Economically ..... June, 150

MATERIALS

Stainless Steel Film ..... Jan., 128
Alcoa Aluminum Handbook ..... Feb., 131
Threads Are Milled on Tough Stainless Component ... Feb., 148
Single-Piece Casting Solves Production Problem ..... Mar., 152
Super High Speed Steels ..... Apr., 114
Machining Difficult Alloys ..... May, 146
Tool Life Increased in Machining Electronic Parts .... May, 152
Torch-Brazing Method for Machinable Carbide ..... May, 153
Critical Metals Film ..... May, 158
Ten Rules for Good Tools ..... June, 114
Broken Lathe Way Repaired Economically ..... June, 150
Tungsten Carbide Used for Shaving Aluminum ..... Aug., 116
Sub-Zero Milling the Super Alloys ..... Oct., 124
Wear-Resistant Tungsten Steel Ups Tool Life ..... Oct., 146
Cold Forming Lock Bolts for Automobile Doors ..... Oct., 152
Electrical and Magnetic Properties of Metals ..... Nov., 133
Use of Tough Tool Steel Eliminates Rejects ..... Nov., 155
Can Seamless Tubing Meet Your Requirements? ..... Dec., 128

MATERIALS HANDLING

Flexible Steel Storage Arrangement ..... Feb., 152
Quick-Change Device for Chain Slings ..... Mar., 158
Metal Handling Made Easy ..... Sept., 121
Piercing Die Improves Valve Seat Productivity ..... Sept., 155

MANAGEMENT

A "Builder" Takes A Look At the New Guidelines .... Jan., 130
Tools For Freedom ..... Aug., 102
Statistical Tolerancing ..... Sept., 122
Use Your Tool Steel Salesman ..... Oct., 130
"Wittner's Metalworking Marketing Handbook" ..... Oct., 133
Statistical Tolerancing ..... Oct., 136
Statistical Tolerancing ..... Nov., 134

MARKING

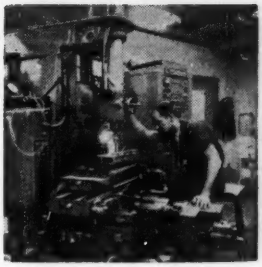
Hydraulic Press Simplifies Customer Identification ... Sept., 152

METALLIZING

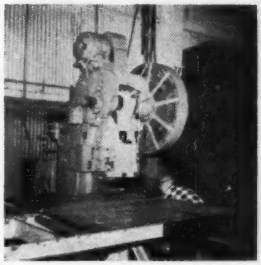
Flame-Sprayed Plug Gages Last Longer ..... Aug., 115
Metallizing Quickly Restores Scored Piston to Service . Nov., 147

MILLING

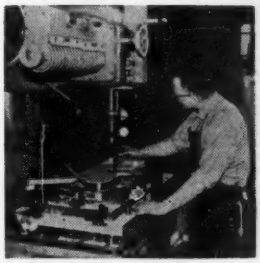
Machining 36 Models of Compressor Housings ..... Jan., 156
Indexing Table Aids Slot Milling Operation ..... Feb., 146
Threads Are Milled on Tough Stainless Component ... Feb., 148



June, Page 124



July, Page 106



February, Page 136

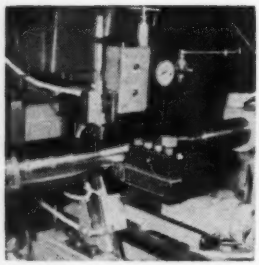
1963 Article Index . . .

November, Page 124

Vertical Mill Is Workhorse of Job Shop ..... Mar., 154
Optical Line Tracer Joins the Control Family ..... May, 126
Equalizing Type Jaws for Milling ..... June, 162
Milling Long Keyways ..... July, 125
Climb Milling Is Faster for Machining Angles ..... Sept., 150
Sub-Zero Milling the Super Alloys ..... Oct., 124
Milling Huge Circular Missile Components ..... Nov., 140
Precision Work on Low Cost Mill ..... Dec., 142
Suggestions for Solving Milling Problems ..... Dec., 155

NUMERICAL CONTROL

"I" Day Plus One Year ..... Feb., 114
Numerically Controlled Grinding ..... Feb., 128
Tape Control: Biggest Benefit To Job Lot Manufacturer Feb., 136
N/C Drilling of Short-Run Parts ..... Feb., 142
The N/C Engine Lathe Comes of Age ..... Mar., 126
Five Parts at a Time ..... May, 142
Cylinder Block Machining on N/C Transfer Line .... Sept., 140
N/C Drilling Saves Time in Machining Parts ..... Sept., 158
Dedication to Sound Principles Pays Off for Small Shop Dec., 114



August, Page 90

OPTICAL TOOLING

Optical Tooling for Precise Manufacture and Alignment Jan., 123
Binocular Magnifier Amplifies Vision ..... Apr., 144
Ingersoll Checks Rack Leads With Simpson Optics .... June, 158

PLANING

Planer Gage Sets Tool for Lowest Point ..... Apr., 151

PLANT MAINTENANCE

Plant Housekeeping Headache Relieved in a Jiffy .... Aug., 82

PLANT MANAGEMENT

"I" Day Plus One Year ..... Feb., 114
What to Do When Measuring Instruments Need Repair Feb., 121
It Pays To Double Up ..... May, 118
Centralized Ultra-Precision Machine Shop ..... June, 124
Production Line Techniques Speed Die ..... Sept., 115
How Tool Preparation Cuts Machine Down Time .... Nov., 125

PRESSING

Pressworking Safety Calls for Constant Alertness .... Jan., 124
Press Speeds Assembly of Pump Component ..... Mar., 146
Retractable Stock Support for Movable Forming Block May, 163
Hinged Die and Closed Water System ..... June, 138
Five-Station Progressive Die ..... Aug., 108
High Speed Press Turns Out Self-Opening Can Tops . Sept., 130
Hydraulic Press Simplifies Customer Identification ... Sept., 152
Hydraulic Press Brake Film ..... Oct., 133
Tear-Tab Can Calls for Precision Presswork ..... Nov., 154

April, Page 138

PROFILING

Optical Line Tracer Joins the Control Family ..... May, 126

PUNCHING

Die Pierces Two Different Parts ..... Apr., 134
Micro-Piercing Sheet Metal ..... Dec., 106

QUALITY CONTROL

Critical Metals Film ..... May, 158

REAMING

"Woodpecker" Reaming Removes Burrs ..... June, 154

ROLLER BURNISHING

Burnishing Screw Machine Parts ..... June, 151

ROLLING

Large Mill Installed for Hot Breakdown Rolling ..... July, 120

SAFETY

Pressworking Safety Calls For Constant Alertness .... Jan., 124
Safety Guards for Post Type Die Sets ..... Feb., 154
Quick-Change Type Chuck Improved for Safety ..... Aug., 124

SANDBLASTING

Double-Duty Sandblaster Speeds Missile Production .. Apr., 130

SAWING

Band Machining Film ..... June, 161

SCREW MACHINING

Tool Life Increased in Machining Electronic Parts .... May, 152

SHAVING

Tungsten Carbide Used for Shaving Aluminum ..... Aug., 116

STATISTICAL TOLERANCING

Statistical Tolerancing ..... Sept., 122
Statistical Tolerancing ..... Oct., 136
Statistical Tolerancing ..... Nov., 134

TAPPING

Tips On Tapping ..... July, 90

TESTING

Machine Tests Strength of Welded Contacts ..... Nov., 158

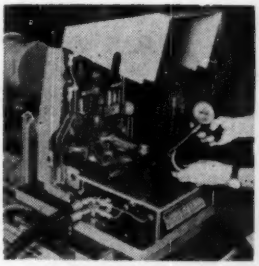
THREADING

Threads Are Milled on Tough Stainless Component ... Feb., 148
Thread Rolling Film ..... Aug., 122

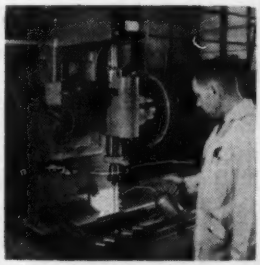
TOOL DESIGN

Tap Holder Increases Usefulness of Hexagon Wrench . Jan., 162
Bumping Block for Seating or Removing Mandrels .... Jan., 162
Flycutting—A Method of Cutting Large Size Holes .... Mar., 138
Super High Speed Steels ..... Apr., 114
Diamond Tools Dress Three Grinding Wheels ..... May, 154
Ten Rules for Good Tools ..... June, 114
Regrinding a Punch with Built-In Slug Remover ..... Aug., 125
Drill Press Type Ball Beading Tool ..... Aug., 126
Climb Milling Is Faster for Machining Angles ..... Sept., 150

March, Page 146

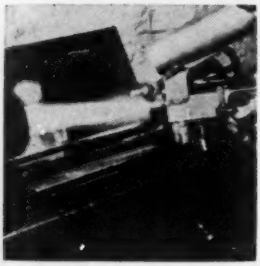


October, Page 146

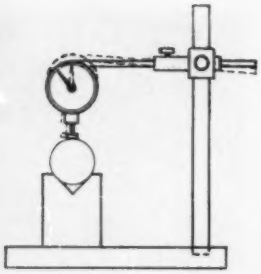


September, Page 150

1963 Article Index . . .



August, Page 114



July, Page 82

November, Page 140

TOOL GRINDING

Sharpening Helical-Flute End Mills ..... Mar., 122
Complex Composite Dies Produced at Reduced Cost .. May, 150

TURNING

The N/C Engine Lathe Comes of Age ..... Mar., 126
Boring Bar Attachment Increases Lathe Capacity ..... July, 100
Tracer-Controlled Automatic-Cycle Lathe Film ..... Aug., 89
X-Ray Components Turned to Ultra-Precision Finishes Aug., 114

WAFERING

Precision Cutting Precious Semiconductor Materials .. Dec., 148

WELDING

"Blind-Welding" Missile Nozzle Section ..... Jan., 142
Toggle Pliers Assure Weld Quality ..... Jan., 150
Arc Welding Speeds Fabrication of Flat Cars ..... Jan., 154
Automatic Controls Improve Shielded-Arc Welding .. Feb., 132
Precision Welds A Princess ..... Feb., 149
Machining Crankshaft End Covers ..... Apr., 140
Faster Welding at Lower Costs ..... July, 114
"Production Welding Guide" ..... Sept., 128
Locating Pre-Machined Components ..... Oct., 160
Butt Welding Drum Halves ..... Nov., 130
Machine Tests Strength of Welded Contacts ..... Nov., 158

GENERAL INTEREST

A "Builder" Takes A Look at the New Guidelines .... Jan., 130
"I" Day Plus One Year ..... Feb., 114
Metalworking Technology and Practice ..... Feb., 138
How Ultra-Precision High-Speed Gears Are Made ... Mar., 114
The N/C Engine Lathe Comes of Age ..... Mar., 126
Super High Speed Steels ..... Apr., 114
It Pays To Double Up ..... May, 118
Metal-Cutting Coolants: What is the Relationship? ... May, 132
Ten Rules for Good Tools ..... June, 114
Centralized Ultra-Precision Machine Shop ..... June, 124
Soluble Cutting and Grinding Oils ..... June, 130
Don't Let That Setup Steal Your Gaging Accuracy .... July, 82
Tips On Tapping ..... July, 90
Plant Housekeeping Headache Relieved in a Jiffy .... Aug., 82
Don't Overlook Hot Machining ..... Aug., 90
Tool Making and Machining Film ..... Aug., 101
Tools For Freedom ..... Aug., 102
Modern Machine Tools ..... Aug., 111
Production Line Techniques Speed Die ..... Sept., 115
Statistical Tolerancing ..... Sept., 122
High Speed Press Turns Out Self-Opening Can Tops . Sept., 130
Squeezing the Most Out of Polyurethane Dies ..... Oct., 114
Use Your Tool Steel Salesman ..... Oct., 130
Statistical Tolerancing ..... Oct., 136
Disc Grinding Shop Devises Own Guideposts ..... Nov., 114
How Tool Preparation Cuts Machine Down Time ..... Nov., 125
Statistical Tolerancing ..... Nov., 134
Distributors Stress Marketing at 39th Annual Meeting . Dec., 136
